Dear Jim,

The projects that you requested funding for have been submitted to Michael Skrebutenas, Assistant Secretary to Governor David Paterson. The projects were submitted on the premise that they are "shovel ready" with a 90-day time frame.

I have attached a list of those projects along with this letter. Thank you for working along with me to include these projects for your municipality.

I will provide your office with timely updates as information becomes available to me on this part of the Stimulus Package.

Sincerely,

Gregory J. Edwards
